Significant Initiatives of Transformative Education

A Global Citizenship Education Perspective

Action Track 2

Organized by Ban Ki Moon Centre, Republic of Korea, Finland and UNESCO

The Transforming Education Summit is being convened in response to a global crisis in education – one of equity and inclusion, quality and relevance. Often slow and unseen, this crisis is having a devastating impact on the futures of children and youth worldwide. The Summit provides a unique opportunity to elevate education to the top of the global political agenda and to mobilize action, ambition, solidarity and solutions to recover pandemic-related learning losses and sow the seeds to transform education in a rapidly changing world.
