Transforming Education through Grassroots Innovation

A Localized, Teacher-Led Approach

Action Track 3

Organized by Muhammad Sanusi ii SDG (MSII SDG), UN SDG Office and UN Partnerships Office

The Transforming Education Summit is being convened in response to a global crisis in education – one of equity and inclusion, quality and relevance. Often slow and unseen, this crisis is having a devastating impact on the futures of children and youth worldwide. The Summit provides a unique opportunity to elevate education to the top of the global political agenda and to mobilize action, ambition, solidarity and solutions to recover pandemic-related learning losses and sow the seeds to transform education in a rapidly changing world.
