YOUNG PEOPLE ARE TRANSFORMING EDUCATION

□Youth are the main agents of change in #TransformingEducation□

The SDG 4 High-Level Steering Committee recommends we include them in finding solutions to the learning crisis. #LeadingSDG4

Through a comprehensive and exhaustive consultation process, the youth are making their voices heard on #TransformingEducation

World leaders must take their views into account. #LeadingSDG4

YOUTH VOICES MATTER

heed their declaration.

Young people will inherit the result of our action or inaction. The SDG 4 High-Level Steering Committee recommends we include them in finding solutions to the learning crisis. #LeadingSDG4 is #LeadingSDG4 for their sake.

“Education is the smartest, most powerful investment in our future.” – Jutta Urpilaine, European Commissioner for International Partnerships

#LeadingSDG4 depends on hearing the voices of the youth and taking action to heed their demands. Together we can transform education

“

**Education is the
smartest, most
powerful investment
in our future ”**

**- Jutta Urpilaine,
European Commissioner for
International Partnerships**

“We are amid a global learning crisis, which disproportionately affects young people, particularly those from vulnerable and marginalized communities, including young women and girls, LGBTQ youth, indigenous youth, young refugees, and so many more.”

- Jayathma Wickramanayake, UN Secretary-General's Envoy on Youth

With ambitious vision, commitment and investment at the Transforming Education Summit, solutions can be rapidly developed, adapted and deployed at scale and reach all learners, especially the most marginalized.

#LeadingSDG4

“

We are amid a global learning crisis, which disproportionately affects young people, particularly those from wonderful and marginalized communities, including young women and girls, LGBTQ youth, indigenous youth, young refugees, and so many more. ”

- Jayathma Wickramanayake
UN Secretary-General's Envoy on Youth

The #TransformingEducation Youth Declaration [link](#) process, fostered active participation of Ministers and Member State delegations in meaningful dialogues with Youth.

Without them, we cannot transform education.

#LeadingSDG4

**Hear Youth speak at the
Transforming Education Summit**

The content of the 'Youth Declaration' as young people's views, recommendations and commitments on #TransformingEducation must be taken into account in all education-related policies and decisions, working towards transformational change in the education system as a whole. The SDG 4 High-Level Steering Committee underlines the importance of working together in #LeadingSDG4

Young people's views on #TransformingEducation must be taken into account. The SDG 4 High-Level Steering Committee underlines the importance of working together in #LeadingSDG4

**Work with Youth
to transform education**

In their Youth Declaration, they demand that decision-makers engage with youth, in all of their diversity, #TransformingEducation in a meaningful way. #LeadingSDG4

Only by working together [\[1\]](#), and keeping role-players accountable can we hope to find solutions to the learning crisis and transform education.

Let us know your ideas [\[2\]](#) [#LeadingSDG4](#)

How can we harness the power of global youth, technology and public-private partnerships?

The public and private sectors can work together to boost entrepreneurial power and unlock the potential of young people. #LeadingSDG4

The potential of young people is untold

□□ How can we ensure that the outcomes of the 'Youth Declaration' will be taken into consideration, through:

1□ An Action Plan (led by SDG4Youth)

2□ The SDG 4 High-Level Steering Committee #leadingSDG4 (The body that takes commitments of the #TransformingEducation Summit forward)
