Number of participants by stakeholder group (insert number): [Specify "Other stakeholder"][<input type="checkbox"/>

2. PRINCIPLES OF ENGAGEMENT

How did you organize the consultation(s) to ensure the principles of multi-sectoral, multi-stakeholders, inclusive, and youth-inspired consultations?
Focusing on youth as 'agents of change' Inclusion and equality

3. CONSULTATION FOCUS AND OUTCOMES

What was/were the main area(s) of focus of the national consultation(s), based on the TES five thematic action tracks and the issues outlined in the Discussion Papers and the Futures of Education Briefing Notes?
All five Thematic Action Tracks were focused on in National consultation. From pre-national consultations, Tonga identified a sixth thematic area - 'Engaging families and communities'. This was a confirmation that Tonga is collective in nature and that education is everyone's business.
What are the main outcomes regarding the four key components of the national consultation(s)?
Outcome of national consultation is summarized in Tonga's TES National Statement
Please upload any additional file about the process and outcomes of your country's national consultations. You can also send the additional report to tes.nationalconsultations@unesco.org
